#### ***Participation at Ceramitec 2015***

Author: SE.TE.C. SRL

Date: 29/10/2015

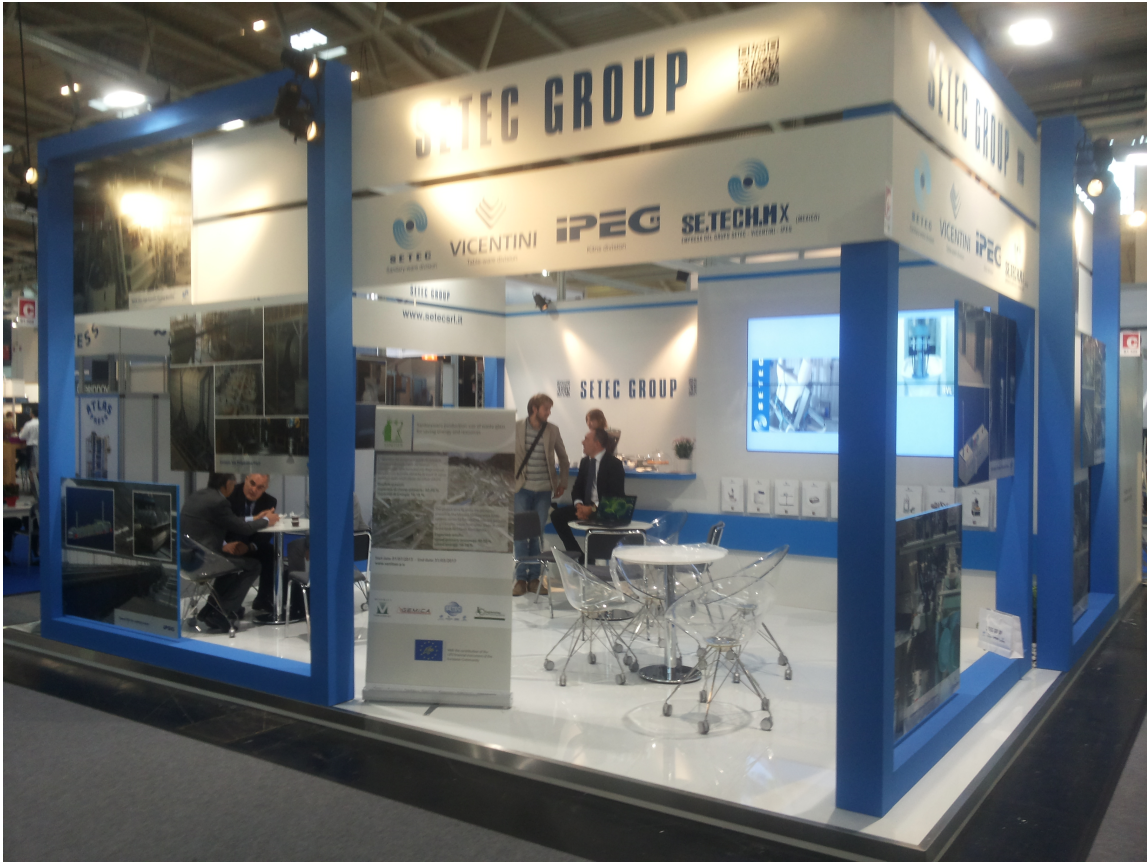

SE.TE.C. srl has exhibited at CERAMITEC 2015 from 20<sup>th</sup> till 23<sup>rd</sup> of October 2015, where the Sanitser project was presented through a project rollup placed at the front entrance of the stand, so that customers could learn and get interested in the project. Dedicated commercial staff was employed to further provide information.

Ceramitec in Munich is the yearly meeting place for the entire ceramics industry, ranging from manufacturers to science. Main topics in 2015 included digitalization, industry 4.0 and additive manufacturing. For four days more than 600 exhibitors showed what's driving the industry forward. In the pictures shown below, you can see the SETEC's stand and the brochures and poster of the project presented in our exhibition space.
